

Divorce Teachers – Survey

17.11.2023 – 31.01.2024

Welcome

1. We would like to cordially invite you to take part in the **Family Life study** on the topic of **family life, long-term career and life planning, and financial security**. By participating, you will help research to better understand decisions surrounding work and family life. Today's survey will last approximately 15 minutes. We plan to contact you two more times next year to conduct similar short surveys. We will therefore ask you for your contact details. We are raffling off **4 vouchers for Digitec-Galaxus** worth **CHF 500** each among all participants who complete the survey.

In today's survey, you may be asked to watch a **short video with sound**.

*Please keep in mind that you have the right to withdraw your consent or discontinue participation at any time without having to specify your reasons. **Confidentiality** will be strictly maintained throughout the entire study. Your contact information will be deleted upon completion of the study. We comply with **Swiss data security standards**. This research project is supported by the Department of Education of [canton] and exclusively serves the goal of basic research with the aim of scientific publication and informing the public. With your consent, you authorize us to combine your data from the survey with administrative data from your canton of employment and the Federal Statistical Office. In today's survey, you could receive information about family life and the reconciliation of work and family.*

If you have any questions or concerns about this study, please contact our research team (UZH Department of Economics, Schönberggasse 1 8001 Zürich) at family@econ.uzh.ch.

2. Please select the box below to confirm that you have read and understood the above terms and conditions and agree to participate in this study.
